

The OKC RC FLYERS AMA#5104

2018

17th Annual Swap Meet

Join the OKC-RC-FLYERS for a day of fun, fellowship, hanger conversation and trading. We are an AMA Chartered club in the metro Oklahoma City area and are here to support the Flying & RC activities. This is a great opportunity for you to mingle with others who share your interest, find a safe training location, and learn about local flying sites. Unfortunately the City has been developing and our site was re-claimed as originally planned. When and if we are able to fly there again remains unknown. OKCRCFLYERS are looking for alternate flying sites but have not given up on future flying at the Chisholm Creek location.

WHEN? Saturday March 24, 2018 @ 8a.m – 2 pm
NEW LOCATION WHERE? OKLAHOMA HOBBIES & RC,
9117 S Walker Ave, Oklahoma City, OK 73139
<http://www.hobbiesandrc.com/>
